Holy Trinity & Our Lady's

Luke 12:13-21

18th Sunday

Jesus tells the story of the Rich Man who spends his time collecting wealth. Jesus tells us that this is not what we should be doing. If we are so busy trying to make money and only think about that, then we are not thinking about God.

Jesus often told stories to explain things to his disciples, although quite often he had to explain what they meant as well. These stories are called Parables.

Do you know any other parables Jesus told? See if you can find one and work out the meaning of it.

News

We hope that everyone is having a great Summer Holiday.

Moses

While Moses was leading the Israelites out of Egypt and into the desert, there was a time when they ran out of food. The Israelites began to complain and saying that they wished they were back as slaves in Egypt.

But the Lord said he would feed the people and that each night it would rain down bread from the heavens. Each day the people were to gather the bread to eat during the day. In the evenings there would be meat to eat.

God made sure that his people would not starve and one of the things he gave them to eat was bread.

Transfiguration

On 6th August we celebrate the feast of the Transfiguration. This is a big word but it means change. Just like a caterpillar changes into a butterfly, Jesus was also changed. His body changed from that of an ordinary human being to a bright, shining being. How do we know that this happened?

Jesus had invited James, John and Peter to go with him and they watched this change happening. It showed them that Jesus was both man and God.
